PRISONERS OF THE SUN

Hello... yes, Twinkl Apples...
 Good morning, hello. Oh, if
 I could... yes... Yes... Please
 come! You're right! Fine! —
 Good Bye. Bye... We'll be there
 right away.

A fine manly doctor...

There's the Chief Inspector with his nose, down on the muddy road...

[illegible]

The asked about your friends...
well, well, they seem

What a coincidence! This at all. These gentlemen were sent out by the C.I.D. to look in this arcade for your friend.

Dad there, to the left of that little tap with the red flower

Ah, now I get
 get it. "Boredom"
 is... it's not
 really... "Boredom"
 ...it's just old
 culture is boring!

Believe it! This is a real quarantine! Don't be frightened!

Are they celebrating the captain's birthday?

Partying is always an occasion, you know! It means the ship has no epidemics for some time, the usual mark of perfection.

There's the break away, mate...

Well, doctor?

Two cases of yellow fever in board. I've ordered these ships' quarantine.

You heard?... I'm terribly sorry about that... You'll just have to be patient.

You, obviously, tell me, isn't that doctor in bed too?

A Quarantine is a matter of fact, why?

Oh, no reason, I just wondered.

A little later

Wondering typhuses! Three weeks! How could we have without knowing whether typhus is not about that... interesting outbreak!

There's no question of waiting three weeks! We're going to find out tonight!

What do you mean, tonight?

Tonight! I shall go aboard the "Typhus-convalescent".

Tonight?... You? What about the yellow fever about? Have you forgotten?

Captain, I'll let anything you like that every man aboard the "Typhus-convalescent" is as fit as you and me!

But wondering typhuses, the doctor definitely says!

The doctor is an Italian Captain... a Quarantine Italian. Doesn't that mean anything to you?

Night has fallen

The doctor's jelling attempt, I am told, is messy, but doesn't cause a wound. He's doing his best. A dirty look, at times.

Look! we arrived in good time. Our train's going to be crowded.

A group of people, including a man in a yellow raincoat and hat, walking outdoors. The man in the foreground is wearing a yellow raincoat and a yellow hat, and is walking towards the right. Behind him are other people, including a man in a blue jacket and a woman in a red jacket. They are walking on a paved surface, possibly a sidewalk or a street. The background shows some buildings and trees.

Through... I say while you were busy I was looking at that little of yours... I mean, you had been the same since the old days... over a distance of 100 years... the only old-fashioned world.

The old-fashioned world was going up slowly.

While we're slowing down, I suggest we try coming to a standstill.

Where's the boat?

After...arriving

"Off we go! ... I say, where did you find that rope?"

"For certain we need ropes ... I made them from jungle creepers."

"What a climb! ... we are a good team! ... we'll have to try harder up. The Temple of the Sun probably has good defenses!"

Two days later

"There's nothing for it. Clamber here is the only place ... the job that needs to be done over there ... We must try to leave it without rope."

"Right!"

"Here goes!"

"Oh, I've followed the path to a tree ... Now what's next?"

"Ropey! Get it!"

"Interact with sister Tazari's son ... On that rope!"

"How get quite close now!"

"Be careful, Zarrine!"

"Yes ... my turn now!"

"Is it?"

"Standing upright! You need a good friend!"

"But Zarrine's here!"

Trouble?
No! No!

At a glance... I can't see him
but... the waterfall...
He's an excellent swimmer
he'll stay to the surface.

Not a sign... the water
he's drowned... He's
drowned... I can't believe
it...

!

Drowned?
Drowned? But
he's not dead,
he's Captain!
Also,
Zorro!

My poor Zorro!... Trouble has
put the small water? not here again.

Caution?

?

?

That water... it can't be... I mean
it's dangerous...

No, no! It's
just... trouble

Captain
Zorro!

Trouble?... Trouble?... Is it really
one?... Where are you?

Shout!
Shout!

Here, behind
the waterfall!

Behind the waterfall?... How can you
be behind the waterfall?

Good things
are all over!

?

Good things
Lower

Good things?... How exciting
to get off the waterfall! I hope to
have a good time when I see

There!

!

!

The girl is?... Good! How good
that all the eyes... It's a big
step in the past and there is
the sea... I think the study is
very interesting discovery!

Right!

That's right enough.
It's sleep it is now.

Splendid!

Secure the end of the rope to a rock.
I'll drift over at this end.

All fast here!

First! Now, count the
dead girl and boat!

?

What about?—the rope you?—Don't
you notice the ship? ready hoist?

No, not! They are right
to the rope and
plunge through the
waterfall— You'll
see, it's only a
thin curtain of
water.

That! That!—you're quite wrong!

No, you!
Good on!

Every danger, here! I cover!

You now!

!

Disturbing breakfast!
Where are we?

Well, while I
call dinner!

The breakfast!—Extraordinary!
Amazing!—Fantastic!

Your turn,
Zerkow!

There you
are!

All together again, Zorro!

Tintin: ... Oh, Tintin!
... Zorro was in
afraid. ... he was hurt!

No, not a minute... I fell into the
water and was sucked under! ... Now
I don't know what happened... I
was sucked around, and when I
came to the surface I found myself
in here!

It seems incredible, but I think I've found
that as an entrance to the Temple of the
Sea... or, at least, that this the last
passage I've probably forgotten all
about it... Anyway, we'll make use

Shocking theories! It's in no shape
at all to be of a whole to them!

I thought so too. But I had a
hunch. Surrounded with
some sort of phosphorescence
which gives a little light.
I shall not go!

No, no, no! ... Careful!
... I've got a hand with

journey!

Colossal, boys are you?

Where'd they starting
up?

It's not hard going, isn't
it?

Now we're in trouble... The passage is
blocked! ... There's no way of getting
through.

The rock-fall was perfectly
natural in an earthquake.
There's nothing to be done.
Zorro: ... Anyway, we're stuck
now... unless...

The found
the passage
wasn't real!

Every passage leads to an
empty space... It looks as
though there's a way
through these rock floors.
Zorro: ... I'm going to try...

And good? ... I know it.

Go, go back! ... Get back! ...
Follow me! ... Follow me! ...
Follow me! ... Follow me!

Oh, my, Captain! ... No, I
get out of here, you see!

Oh, my! ... Captain! ...
Oh, my! ... Captain!

Oh, my! ... Captain! ...

Oh, my! ... Captain!

Oh, my! ... Captain! ...
Oh, my! ... Captain!

Oh, my! ... Captain! ...
Oh, my! ... Captain!

Be put to death! ... You really think we'll let negatives be announced, just like that, you two lashed tyrants!

Captain, please!
Keep quiet!

Brill! Prince of the Sun! I owe your nobility! Let me tell you our story. We have never sought to crawl! Perhaps we only simply looking for our friend, Professor Orkney...

Your friend dared to wear the sacred headdress of Kumpat Opat! Your friend will therefore be put to death!

Disturbed however, you've no right to tell him! He says there are laws a right to tell him. Disturbed by difference! It's wonderful you're not angry!

But it is not we who will put you to death. It is the Sun himself, for this you will not admit the gift through you ... the destined!

As for this young looking who guided these strangers, and then betrayed the race, he will suffer the penalty attached for thieves! ... He will be executed immediately on the order of the Sun God!

Billions of the wretched baronets! The first one who touches a hair of that boy's head is a dead man!

Great justice! I just remembered that noble friend! Show them!

Where did you find that, little vicer?

I was dead, noble Prince of the Sun. I was dead! ... My eyes saw this world! ... I was dead!

And you, Prince of the Sun, where did you get it? Like others of your kind, you reject the laws of our ancestors, no doubt!

Brill! Prince of the Sun, I beg leave to speak...

You, Hissner! ...A high school of the Sun God, you committed that heinous deed upon this beleaguered by our society of our world!

He is not a descendant of our race, with friends of the
 God, with us now you I saw how he came to
 the defense of this boy, where you could now have
 ill-treated by two of those old foreigners, all our
 us badly. For that reason, knowing what he
 would have other great dangers, I gave him this
 badge. And I'll bring, children, friends!

No, Ma'am, you did marry. But your actions will cost our little young ladies for the life of a potential Pyralis. *Shrieks*

Man: I want to talk to you about the bank.

Woman: I know it's not the best idea, but I want to talk to you about the bank.

They never quit their search for happiness, as the time passes by, he will be surprised to find his companions and his life will be joyful. But he is a tiny creature, our hearts will be full, and he will be the strongest.

Now, let the strongers lay down camp and begin to close on their weaker and ill-equipped. The things of the last few years.

like never before you and
your little light-blue shirt.

A man with a beard and mustache, wearing a blue shirt, is holding a small, light-colored object in his hands. He is looking down at it with a focused expression. The background is a textured, light-colored wall.

WELL, not that it's impossible, but...
There's no way

A man with a beard, wearing a blue shirt and a black jacket, is holding a small, dark object in his hands. He is looking down at it. The background is a plain, light-colored wall.

Just, overwhelming happiness
we don't let lightning in!

Only four days left

No one's going to say that I should expect to be treated like a turkey in a pen! ... We must do something!

We know quite well that's impossible.

Only three days

What can we do, possibly anything important?

Run and hide... but really run and hide!

Only two days to go

How can we do this, just keeping silent? ... Action of interesting characters! We must do something!

Trust me, Captain. In ten days' time we'll be free.

One day left

It's not easy! Working things out I never knew things could turn so black!

At last released

According to the first edition story is very low.

Next morning

Only a few hours to live, but all you can do is read that bit of newspaper for the usual week time!

The same conditions as the day to the Western Conditions on the other side. It will be the rest of tomorrow.

Elaborate broadcast! If it weren't for these unprecedented times I'd come to out of here!

We're back... You're, we're back... Come on quickly, hurry! ... But!

Don't do it, Captain! That'll break your back!

Abs! We are just in time!

Breakers returned to late!

First day

I keep my mind, until tomorrow you are free... My men will escort you to the Port of the sword-bearers.

Thank you, noble Prince, but I have not further need...

In my studies there are some learned men who are said to have lost making terrible fortune because of you. By some means you have stolen your power. You you to end their suffering.

There were once here the famous playing courtiers and jousting champions. They do prove the powerlessness of their capital too.

No. Only did not come to 'Honor' with dress of the East. Their very purpose was to make known to the world your design outward and the appearance of your civilization.

So be it. I think you speak truth... It shall be done. Follow me, noble prince, for in your presence I will not be able to shut my mouth.

Lack of time leaves us no time for where you pass. Here is this chamber in our prison room, we have left you. It is here that we will release them from their captivity.

Whispering? ... What's behind it? ... But the crystal balls... what were they for?

The crystal balls contained a magical liquid, released from one, which played the villain's role in this day. The days from that day will not return... and until one thing do be as best.

Now I see it all! That explains the seven crystal balls, and the dramatic way choice of the prisoners. Look from the high throne between the two judges the prisoner performed most terrible action!

Explains the message, Prince!

He does not want to change

What am I doing here?

What happened? ... How did I get into here?

Where are my, Goring?

That's what I'm wondering. Goring.

You here Goring?

Charming... what is the world?

How did I get here?

Meet the team

So please please to stay here, Zorba ...
My wish may go by, then, I've
been - but they're about to
open ...

Telling you to sit, wait, listening,
I like to be a friend to you of you

I know, with Prince of
the Sun, and you would
have to think about
that ...

I mean that I can't wait to
open the other side of the
house of the Sun

My too, dear, I mean that
... May we have to think about
and we have to think about it
... I mean to think about it

My too, I mean I will
stay up to see the Sun,
because I think the
contract will be made
after all. We have to wait

I know I can break you,
My, my garden ...

My, my garden ...
My, my garden ...

Perhaps you would like to
see the Sun of the middle
Sun?

Yesterday I heard ... (It's too
late!) ... (It's too late!) ...
I mean that I can't wait to
open the other side of the
house of the Sun

We thank you, with Prince of
the Sun, but we cannot accept
such important gifts

We thank you
absolutely
much

Oh, they are nothing
compared to the
other side of the house!
... I mean that I can't wait to
open the other side of the
house of the Sun

THE END
